*Per serving information based on weight of standard regular or individual serving

2000 calories a day is used for general nutrition advice but calorie needs vary.

The nutrition information in this list is based on standard product formulation and serving sizes. Variation in serving sizes, preparation techniques, product testing and supply sources, as well as regional and seasonal differences may affect the nutritional composition of each product. Nutrition information is derived from testing conducted in accredited laboratories, published resources, or from information provided by suppliers.

This information is current as of July 18, 2025.
